

BK Festival M-20

"Like anybody I would like to live a long time. Longevity has its place. But I'm not concerned about that now. I just want to do God's will. And he has allowed me to go up to the mountain. And I have seen the Promised Land. I may not get there with you, but I want you to know tonight that we as a people will get to the Promised Land."

Martin Luther King, Jr.

LEAVE the Struggle of the Ghetto
and make
A BETTER LIFE

YOUR NATION ASKS NOTHING OF YOU
BUT YOUR DEDICATION AND SUPPORT

- * If you have a skill or are willing to learn one
- * If you are willing to work honestly and well in a progressive, growing black economy
- * If you are ready for clean air, a modern free home of your own, and a life without crime or want, a life where black people really live as brothers and sisters
- * If you support our right, as black people to land, reparation and independence, and
- * If you support the REPUBLIC of NEW AFRICA's National Bank

Then, in a matter of months, your family can be part of one of the modern, new communities being built by the Republic of New Africa in the Deep South, the Promised Land.
